OUR SERVICE

- Comprehensive pre-departure check to ensure that your yacht is 100% prepared for the trip ahead
- Delivery of your yacht safely and professionally with special emphasis on good seamanship.
- Hands on professional experience in all phases of new boat commissioning, rigging, maintenance and repair of diesel engines, generators, refrigeration, and electrical systems.
- A commitment to maintaining your vessel to a high standard while on delivery.
- Satellite tracking of your yacht with daily positions sent by e-mail - no extra charge
- A copy of the vessel's log for your records and a condition report with any relevant recommendations.
- Complete and transparent 'No Surprises' cost estimates.
- Complete accounting of all expenses at the completion of the delivery.
- A commitment to leaving your yacht neat, clean, and in better condition than when we received her
